

# SmartOffice Service Provider Interface for BGAs: Superior Mobile Medics

## Streamline the underwriting process with electronic requirement ordering

Now available for Superior Mobile Medics (SMM), the SmartOffice Service Provider Interface is designed to significantly increase the efficiency and productivity of new business processing. A no-cost add-on to SmartOffice®, the interface offers electronic requirement ordering using direct integration into your SmartOffice pending case workflow.

The SmartOffice Service Provider Interface allows you to order exams right from the SmartOffice desktop. Once exams are ordered, the provider is alerted to begin processing the order immediately. Status updates are received through SmartOffice and viewable by order number in SmartCaseManager, saving time and making it easy to keep track of all orders right from the SmartOffice desktop.

**SUPERIOR**  
Mobile Medics

- > Eliminate the time-consuming process of ordering services manually and chasing after statuses
- > Order paramedical services and associated underwriting requirements directly from your SmartOffice desktop
- > Automatically receive statuses back from Superior Mobile Medics for each requirement

## ABOUT SUPERIOR MOBILE MEDICS

Superior Mobile Medics is a national paramedical service that specializes in the Brokerage Market and services all 50 states from a single location. SMM can better service your agency if you underwrite a case in multiple markets. The company deals directly with examiners, not branch or regional offices, and can complete exams for all brokerage life insurance companies. Get set up with a customer service representative today and let SMM help cut underwriting time with their streamlined exam process. For more information, go to [www.superiorexams.com](http://www.superiorexams.com) or call 1-800-898-3926 ext 238.

## ABOUT E-Z DATA

E-Z Data, Inc., established in 1986, is a leading provider of front-office systems for insurance companies, banks, broker-dealers, general agents, agents, and financial advisors. E-Z Data solutions are used by more than 100,000 advisors worldwide and over 50 leading financial services companies, including HSBC, M Financial, MetLife, National Financial Partners, Prudential, and Securian.
